

UNIONISTS RESCIND BAN ON CATHOLICS

Only Members of Sinn Fein
Are Now Excluded From
Works by Ruling.

CONSTABLE IS KILLED

Londonderry Gets Vain Ap-
peal From Donegal to
Hurry Food to City.

By the Associated Press.
BELFAST, July 28.—The Unionist workers at a meeting today at Banbridge, County Down, decided, as a result of an appeal from the local clergy, to modify the drastic attitude they previously had taken regarding Catholic workers. They passed a resolution that would not support or sympathize with it, but would be allowed to resume their labors.

Banbridge was the native town of Constable, who was killed in the main street of Londonderry, near Cork, last night.

IRISH TURNING TO OPTION FOR ULSTER

But Sinn Fein Continues
Against All Compromise.

DUBLIN, July 28.—Renewed activity is apparent in Irish political circles following dominion home rule as a satisfactory settlement. In addition to Sir Horace Plunkett's Dominion League, which makes a new appeal for funds, many Irishmen of all parties are prompted by Premier Lloyd George's recent announcement to press forward a plan differing from the Dominion League's plan by agreeing to allow the Ulster counties to vote themselves out.

Nationalists hitherto violently opposed to this course as being a betrayal of Ireland have come round to favor it and have the support of Sir Freeman's Journal, which in recent months, under a new proprietorship, could not be distinguished from the Sinn Fein organ.

In agreeing to waive the republican claim and to accept county option for Ulster, important groups have met both of the Premier's indispensable conditions. The crisis of the situation is the attitude of the Sinn Fein leaders, who in the press and on the platform continue to repudiate all compromise.

ASKS ITALY TO CALL SHIPS FROM SPALATO

Ambassador Says Admiral
Andrews Can Keep Order.

BRESCIA, July 28.—A despatch to the Nation from Rome says Robert Underwood Johnson, the American Ambassador to Italy, has presented to the Foreign Minister Sforza a memorandum from Rear Admiral Philip Andrews, saying that Admiral Andrews would be able to maintain order in Spalato, Dalmatia, if the Italian warships there were withdrawn.

The correspondent adds that some surprise has been occasioned by the fact that Ambassador Johnson presented the memorandum to the Foreign Minister.

Rear Admiral Andrews, who is commander of the American squadron in the Adriatic, recently took command at Spalato where the Jugo-Slav and Italian clashed during a Jugo-Slav demonstration.

NATIONALIZING COAL IN GERMANY PUT OFF

Resolution Fails in Reichstag,
Simons Urging Delay.

BREITENBURG, July 28.—A resolution, presented in the Reichstag by the Independent Socialists, demanding immediate nationalization of the coal fields was supported only by the two Socialists.

A Government statement, read by Foreign Minister Simons, urged a postponement of active socialism until the special commission now investigating the issue makes complete proposals.

FRENCH TELL FAISAL HE MUST QUIT SYRIA

Wold-Be Head of New Arab
Kingdom an Outcast.

Special Cable Despatch to THE SUN AND NEW YORK HERALD, Copyright, 1920, by THE SUN AND NEW YORK HERALD.

PARIS, July 28.—France's campaign in Syria is ended and King Faisal and his family have been ordered to leave that country. The Arabs must disarm and a military court has been named to try all persons in Syria who are charged with heading the movement against the French. Gen. Gouraud's terms to this effect have been accepted by the new Syrian Government.

The French Foreign Office announced today that Damascus was occupied by French troops last Sunday without resistance. A new Government there has already been constituted. It has agreed to demobilize all native forces except a small gendarmerie. French troops will occupy the railway, the main roads and public buildings and have captured a huge quantity of supplies which have been abandoned by the Arabs.

Banbridge was the native town of Constable, who was killed in the main street of Londonderry, near Cork, last night.

LEADERS IN CHINESE UPRISING ARRESTED

Army Chief Quits; High Officials
Now Prisoners.

By the Associated Press.
PEKING, July 28.—President Hsu Shih-chang today accepted the resignation from the army command of Gen. Tuan Chih-shan, which Gen. Tuan professed recently, prompted by the falling fortunes of the Anfu, or military party, which he headed.

The President ordered the arrest of the retiring Anfu ministers, charging them with responsibility for the recent disturbances. He also decreed the arrest of Gen. Hsu Shih-chang, former resident Commissioner of Inner Mongolia and one of the Anfu leaders; Gen. Tuan Chih-shan, erstwhile commander of Tuan Chih-shan's army; Yao-cheng, president of the Supreme Court; Yao Qu-cheng, Vice-Minister of Communications; Liang Hsun-tai, chief secretary of the Senate; and Ting Shih-yuan, director of the Hankow Railway. In all the President ordered ten arrests.

The President also abolished the frontier defense bureau, of which Tuan Chih-shan was the head, and the frontier defense army of Gen. Hsu Shih-chang.

Banbridge was the native town of Constable, who was killed in the main street of Londonderry, near Cork, last night.
